SUBJECT: Per Cent of Error

25 YEAR RE-REVIEW

25X1 Attached is a report indicating the per cent of error in traffic  
originating in South American radio stations. It is realized that this report  
is not too accurate since some errors occur on the [redacted]  
teletype line.

25X1 [redacted]  
Chief, Signal Center

25X1 Too high a % - send a rvc. giving names of  
Top and bottom stuc in hopes stimulating  
competition and decreasing errors. [redacted]
